

# WORKDAYS

## New Life Island - April 8&29

April 24 - 29 have been designated as a special work week for any that would like to come and help remove the motel roof. Come for the week or an afternoon. The camp will house and feed all workers.

Please contact us if you are interested in helping during this week.

### Workday Jobs

There are many things that need to be done before the summer season starts. We will be working to accomplish as much as we can during our two workdays.

Here is a list of possible jobs:

Split and stack firewood, clean up the grounds (leaves and limbs), repair fencing, clean all cabins, clean lights and fans in Dining Hall and Pavilion, Prepare mowers, cleaning - many things in many places, move benches and

carpetball tables, and many other jobs. Come ready to work!

We provide lunch for all workers, so please let us know you are coming.

**What:** Preparing the camp for the summer and replacing the motel roof.
