## LIVING A FULL LIFE:

### REACHING YOUR FULL POTENTIAL & LIVING A LIFE WITH NO REGRETS

Our speaker, Jason Hodges, brings a wealth of leadership experience and a strong foundation in equipping and inspiring leaders and followers of Christ. His ministry Elevate is designed to help men and women reach their fullest potential through coaching, experiences, and relationships. Beside him on life's journey is his devoted wife, Rachel, and their two great sons, Josiah (14) and Levi (12).

Jason's passion for leadership development is rivaled only by his love for the great outdoors and endurance sports. His dedication to pushing his limits in these athletic endeavors reflects his belief in the transformative power of pushing boundaries, both personally and professionally. Whether it's nurturing leaders or conquering new challenges, Jason remains committed to empowering individuals to reach new heights of growth in the Lord!
