11:00 AM Mini Workshop
12:15 PM Lunch
4:30 PM Closing
Please note that supper will not be served.

SCHEDULE

Featured Project:

CONQUERING SCRAPS

Does your mountain of scraps keep growing? Let's start at the bottom and quilt to the top. The prize will be a beautiful quilt and more space to buy more fabric!

Project Details:

- It uses 2 1/2 " squares of scraps and 3 " squares of background for the sections and additional strips of background for the top and bottom
- The sections measure 2 1/2" x 12 1/2". And they use 12 squares that are 2 1/2"
- To make a good size quilt it would use up a lot of scraps
- You are welcome to bring your own scraps, but there will also be plenty to use here!

ADDITIONAL PROJECT: FLOWER POUNDING

During the retreat, there will be opportunities to explore the art of flower pounding to make new fabric. We will be using the old and creating the new!
