NEW LIFE ISLAND'S

Ladies Retreat

Val has been a pastor's wife, disciple maker and ministry mentor to many women as she has served the Lord alongside her husband through the 48 years of their marriage. Val and Ron have four grown children, all married and, by God's grace, serving Christ. She is known as "Gigi" to her eleven grandchildren.

Her heart's desire is to see women come to know Christ and be transformed by an ever deepening relationship with Jesus Christ through an ever deepening knowledge of His Word. Val continues to be involved in teaching God's Word to the women of Niemons Church where her husband is presently serving as pastor.
